Steps

Step-by-step guide component with variable steps and arrow design.

Anonymous · 09/09/2026

Test Set

Standard DTE documents requested by the [SII](#) are sent for validation.

Simulation

Real DTE examples that the company will issue in production are sent to the SII.

Exchange

XML files associated with the response to a DTE exchange are sent to the SII.

PDF Samples

PDFs of all DTE documents from the test set and simulation are sent to the SII. [Link](#)
